

# Car Seat Installation Resources

## Instruction Manual

Before you begin installing your new Evenflo car seat, read the user manual to help you understand the installation process.

[evenflo.com/support/instruction-manuals.html](https://www.evenflo.com/support/instruction-manuals.html)

## Virtual Installation Support

Evenflo offers live video installation support for all Evenflo car seats. Schedule a virtual appointment online with a certified car seat safety technician for a time that is convenient for you.

## Car Seat Registration

Registering the car seat is the only way the manufacturer knows how to contact you for a recall or safety notice. Locate the white information sticker on the back of the car seat, follow the link below and enter the needed information.

## Phone Support

Get answers to your questions over the phone and talk through your installation issues.
